## FOR IMMEDIATE RELEASE

### **Northbound I-5 Overnight Lane Closures – Norwalk Blvd. to Pioneer Blvd.**

**Norwalk / Santa Fe Springs** - The California Department of Transportation (Caltrans) today announced the scheduled overnight lane closure of northbound Interstate 5 (Santa Ana Freeway) between Norwalk Blvd. and Pioneer Blvd. for the next three weeks to allow trucks to deliver base, or gravel, for freeway lane construction. Closures are subject to change and are scheduled as follows:

**On the northbound I-5, the right lane will be closed:**

Monday, Feb. 19 from 11:59 p.m. to 5 a.m.

**Then again from 10 p.m. to 5 a.m. each night:**

Tuesday, Feb. 20 through the night of Thursday, Feb. 22.  
Sunday, Feb. 25 through the night of Thursday, Mar. 1.  
Sunday, Mar. 4 through the night of Thursday, Mar. 8.

*If a northbound full freeway closure between Norwalk Blvd. and I-605 for the I-5 Florence interchange project is implemented on any night at 11:59 p.m., this lane closure will become part of that full freeway closure.*

**These lane closures are scheduled for separate nights and the lane will re-open by 5 a.m. each day.**
